

# 50 REASONS WHY MY DREAM / GOAL

**Please list all the reasons why this dream/goal is important to you. Brainstorm:**

- what makes this important to you?
- all the benefits to you personally?
- all the benefits to other people?
- how will you feel when this is accomplished?
- what will you be able to say about yourself?
- what will others be saying about you?
- how will this inspire others?
- what great things will happen as a result of this?
- what will this allow you to do for others?
- how will the accomplishment of this impact you?
- how will the accomplishment of this impact your children or future generations?
- what made you decide on this goal?
- how will your life change as a result?
- how will you change on the inside as a result?
- who will you become as a result of hitting this?
