

With baseball games and lawns to mow,  
There's just no time for a party, so ...  
I'm sending a do-it-yourself cup of tea  
To enjoy at your leisure instead of with me.  
And while you are sipping think "what are the things  
I need to stay gorgeous at my Spring flings?  
Then pick up the phone, place your order with me,  
And receive a free gift for sipping your tea!
